

Schools with Early Childhood Seats Remaining as of 5/13/2011

1. Call the school directly and ask to speak to the registrar.
2. Ask for your child to be placed into a seat for preschool or pre-K (depending on your child's age). In some cases you may be added to a waitlist if available seats have filled or if the school has not finished contacting all applicants who applied through the out-of-boundary lottery
 - a. For preschool your child must turn 3 by September 30, 2011.
 - b. For pre-K your child must turn 4 by September 30, 2011.

DCPS suggests putting your child on waitlists at several schools to increase your chances at finding a seat. For more information on these schools please visit our [school profiles page](#). If you have further questions please call the Critical Response Team at (202) 478-5738.
